# TENNIS CAMPS

Our tennis academy offers coaching for all ages, starting with our 'mini tennis' groups (for children over 3) up to adult lessons. Our tennis academy offers programmes and activities throughout the year and in the school holidays we organise intensive courses for children. During the winter months, our tennis coaching is taught to groups of all levels, developing specifically adapted programmes for professional players.

From Monday to Friday during Tennis Camp weeks, sessions start at 10 am and last until midday. Saturday tournaments are followed by a closing ceremony.
